

Volunteer with the Worcester Free Tax Service Coalition

United Way of Central Massachusetts is part of the Worcester Free Tax Service Coalition. The Worcester Free Tax Coalition is making tax credits and tax preparation more accessible to those who need it most. Workers who qualify for the EITC credit and file an income tax return can get FREE tax preparation by IRS-certified preparers. Qualifying individuals and families receive the following:

✓ **FREE** Income Tax Preparation by IRS Certified Preparers

✓ **FREE** E-File

✓ **FAST** Refund if you opt to direct deposit into your bank account

The Worcester Free Tax Service Coalition needs volunteer tax preparers, intake greeters, translators, and other volunteers each year to make this vital program possible. For more information, contact the Volunteer Center at 508-757-5631 ext. 221.

Volunteer Income Tax Assistance

Each year, the EITC lifts more families out of poverty than any other federal aid program, providing families an opportunity to increase savings, reduce debt, and finance education or training programs. The EITC credits that go unclaimed by low-income workers represent millions of dollars of lost revenue that would otherwise boost local economies.
