

YOUR GIFT IN ACTION

Meet Jamie.

“Jamie” is a child who wants to succeed. All she needs is an opportunity—an opportunity that you can provide with a donation to this year’s campaign.

Your donation lifts up thousands of children, like Jamie, and her family, by supporting programs focused on basic needs and the building blocks for a happy life: EDUCATION, HEALTH, and FAMILY STABILITY.

Jamie attends one of the 7 high-quality, early education programs funded by United Way, putting her on the path to success in school.

Jamie’s parents become two of the 890 individuals who receive job training, supported by United Way, and move from a poverty-level job to a family-sustaining career.

Jamie is reading proficiently by 3rd grade because she has access to books through “Lilly,” the mobile library, and she attends summer camp with a literacy coach, both of which are funded by United Way.

Jamie’s parents get their taxes done for free and receive a \$5,000 Earned Income Tax Credit, which they are able to use as a down payment for a car. United Way is part of the EITC Coalition.

Jamie has great attendance in school because she participates in United Way funded mentoring and youth activities after school.

Jamie earns her high school diploma!

With her diploma and help from college access programs, which are funded by United Way, Jamie is able to attend college and start a great career.

Jamie and her family help build a stronger community by giving and volunteering with United Way of Central Massachusetts.

The next “Jamie” begins his/her journey....

We All Win!

Thank you for your gift to United Way of Central Massachusetts, which helps thousands of people in our community, including children like Jamie. Together, we can create a stronger community for all of us. Learn more at www.unitedwaycm.org.
